

# Lilly Neuroscience Basic Research Award

## INTERNATIONAL COLLEGE OF NEUROPSYCHOPHARMACOLOGY

The Lilly Neuroscience Basic Research Award will be presented at the XXVII CINP Congress in Hong Kong. The recipient of the 2010 award will be chosen by an international scientific jury by March 2010. This award consists of a monetary award, an engraved plaque, paid registration fees for the Congress, round trip economy air travel, and up to four night's accommodation at a Congress Hotel.

### Previous Lilly Neuroscience Basic Research Awardees

2008: Anthony Grace, University of Pittsburgh, USA

2006: Ronald Duman, Yale University School of Medicine, USA

2004: John L. Waddington, Royal College of Surgeons, Ireland

2002: Robert Malenka, Stanford University, USA & Eric Nestler, Univ. of Texas Southwestern Medical Center, USA

### Guidelines:

- t The Lilly Neuroscience Basic Research Award is given to a scientist in recognition of an outstanding contribution to psychopharmacology.
- t Candidates must be less than 55 years of age as of 1<sup>st</sup> January 2010.
- t Candidates must be nominated by a member of the CINP. The nominee should be affiliated with a Hospital, University, or Research Institution.
- t The Awardee must commit to attendance at the 2010 Congress for at least three full days.

**To submit a nomination, the following application materials must be submitted by email or by hard copy in English, by the 8<sup>th</sup> January 2010 deadline:**

- 1) A Curriculum Vitae;
- 2) No more than five (5) published articles representing the work accomplished;
- 3) A summary not exceeding four (4) double-spaced typed pages explaining the significance of the contribution;
- 4) A letter of nomination from a CINP member;
- 5) This completed form.
